REFLECTIONS! REFLECTIONS!

REFLECTIONS: Life is full of "flashbacks" of the past and mirrors of the present. Where is tomorrow? How will you prepare for tomorrow, based on what you are today? Twenty years from now, when you are an adult, and/or perhaps a parent, what will you see in the faces, eyes and life of your child that reflects your past? What will you see in your own face, in your own life, that reflects your past? Now is the time to build your reflection for life.

As I reflect over the 1979-80 school year, I see more students interested in reading because of our "Sustained Silent Reading," better behaviors because of Assertive Discipline, and better decisions because of participatory decision making by staff and humanism between and among people because of positive reinforcement and open communication.

How will you remember this year? I remember this year as exciting, challenging, and rewarding, because of you and what we were able to accomplish together. My reflections of 1979-80 will be beautiful and pleasant.

Dr. Claudia B. Thomas, Principal

1979-80 *Annual Statement*

Congratulations to the parents, staff, and especially the students of Sequoia Junior High for making the 1979-80 school year a tremendous success. The excellence in academics, athletics, club participation and overall citizenship that has been achieved through your efforts has been rewarding to all those connected with the school. Continue to set worthwhile goals and strive to reach them. Through these efforts you will continue to achieve the goal that has been the "Key Word" of 1979-80 — SUCCESS.

— Earl Hill, Assistant Principal

Message for the Annual — 1980

A great year at Sequoia is ending with a great year-book! The Annual Staff has our gratitude for giving us a look back at our learnings, our laughs, and our friendships together. At the end of my first year here, I wish also to let you know how special I found you to be to newcomers, and to thank staff and students alike for showing me why Sequoia has such a proud reputation.

Mrs. Roe Riley

This is a task I always face with mixed emotions. On the one hand, we are happy for Mrs. Riley that after many years of excellent teaching, she is able to retire and pursue a life of rest and relaxation. But on the other hand, we are saddened that we are losing a teacher with great experience to hand on to eager young minds.

During Mrs. Riley's 26 years with the Kent School District, she has taught at Covington, Meridian, Panther Lake, Meridian Junior High and Sequoia Junior High. While at Sequoia she was selected by the students as teacher of the year and was awarded the Golden Acorn by the P.T.S.A. for outstanding service to the school community.

We will be saddened that we will no longer see her smiling face in the halls, — but wish her the best of luck in her retirement. Sequoia is a better place for her having been here.

— D. Bergum, Annual Advisor
